

Take Your Business to the **Next** Level!

Small Business Contracting & Job Creation Briefing

Thursday, October 28th | 1:00 PM – 4:00 PM

801 Plum Street | City Council Chambers - Room 300

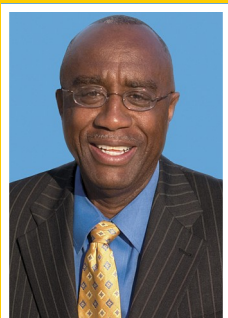

Goal:

To help **ALL** business owners learn how to create jobs and grow their business through City resources and contracting opportunities

Meet the Decision Makers & Learn About:

- The City's Economic Development Division resources available to grow your business
- The City's Community Development Department resources available to assist with residential and commercial development opportunities
- Metropolitan Sewer District's \$3 billion in future contracting opportunities
- New Federal legislation to finance small businesses
- Workforce development opportunities with 3CDC, the future casino, Washington Park, the streetcar, and the Metropole Hotel projects

"As a result of working with the Job Creation Committee and Department of Community Development, my business will grow by 75 new jobs in the next few years."
Nehemiah Manufacturing Co.

"We added new jobs to our company after working directly with staff in the Community Development Department. Everyone needs to know these great resources exist."
A & B Deburring Co.
